

CURRICULUM VITAE (CV)

PERSONAL DETAILS

NAME: Joakim Gitau Ngiciri
POSTAL ADDRESS: P.O Box 10205, Maragua
EMAIL ADDRESS: joakimngiciri@gmail.com
MOBILE PHONE NO: 0768260877
DATE OF BIRTH: 13th september 2003
MARITAL STATUS: Single
NATIONALITY: Kenyan
LANGUAGES SPOKEN: Kiswahili, English, Kikuyu

CAREER OBJECTIVE

To develop as a skilled professional in the field of Information Technology, contributing my expertise and enthusiasm to deliver high-quality service and continually enhance my abilities.

ABOUT ME

I'm a third-year student at Kirinyaga University, pursuing a Bachelor of Science in Information Technology. I'm passionate about technology and how it can solve real-world problems. Over the years, I've developed skills in web and mobile app development, networking, and cloud computing. I'm always eager to learn more and take on new challenges. During my recent internship at Zuri Company Enterprise, I gained hands-on experience in IT support and software development, which helped me grow both professionally and personally. I'm now looking for opportunities to apply my skills and continue growing in the tech industry.

EDUCATION

Kirinyaga University

Bachelor of Science in Information Technology (2022 – Present)

- I'm currently in my third year, focusing on courses like web development, mobile app development, networking, and cloud computing.
- I'm also actively involved in coding clubs and tech workshops to expand my knowledge and connect with like-minded individuals.

Nginda Mixed Secondary School

Kenya Certificate of Secondary Education (KCSE) – Grade C+ (2018 – 2021)

- I performed well in mathematics and sciences, which laid a strong foundation for my interest in technology.

Ihiga-ini Primary School

Kenya Certificate of Primary Education (KCPE) – 337 Marks (2017)

WORK EXPERIENCE

During my internship at Zuri Company, I had the opportunity to work on a variety of IT tasks that helped sharpen my technical skills. I assisted in troubleshooting and maintaining IT systems, which ensured minimal downtime for the company. I was actively involved in supporting the development team by helping design and deploy web and mobile applications.

I also gained practical experience in setting up and managing LAN/WAN networks, which provided me with a deeper understanding of network infrastructure. Additionally, I collaborated with the team to implement cloud-based solutions using AWS and GCP.

Throughout my time there, I also documented technical processes and created user manuals for internal systems to help streamline operations. Overall, this internship taught me how to work effectively in a fast-paced environment while meeting tight deadlines.

MY SKILLS

Technical Skills

- **Web Development:** I am proficient in HTML, CSS, JavaScript, React, PHP, and MySQL for building responsive and dynamic websites.
- **Mobile App Development:** I am skilled in Android Studio, Flutter, Kotlin, and Java for creating cross-platform mobile applications.
- **Networking:** I am experienced in LAN/WAN setup, troubleshooting, network security, and VPN configuration.
- **Cloud Computing:** I am familiar with AWS, Google Cloud Platform (GCP), and Microsoft Azure for deploying and managing cloud-based solutions.
- **Programming Languages:** I am strong in Python, Java, C++, JavaScript, and C# for software development.
- **Database Management:** I am proficient in MySQL, MongoDB, and SQLite for efficient data storage and retrieval.
- **General Computing:** I am an advanced user of Microsoft Office Suite (Word, Excel, PowerPoint) and LibreOffice.
- **Version Control:** I am experienced with Git and GitHub for collaborative coding and project management.
- **Content Creation:** I am skilled in video editing (Adobe Premiere Pro, CapCut) and graphic design (Canva, Photoshop).

Soft Skills

- **Problem-Solving and Critical Thinking:** I enjoy tackling challenges head-on and finding creative solutions. Whether it's debugging code or **Technical Skills**.
- **Team Collaboration and Communication:** I thrive in team settings and believe in the power of clear communication. I actively listen, share ideas, and work collaboratively to achieve common goals.
- **Time Management and Organization:** I've learned to prioritize tasks effectively, balancing multiple responsibilities without compromising quality. Staying organized helps me meet deadlines and stay productive.
- **Adaptability and Willingness to Learn:** I embrace change and see every new situation as an opportunity to grow. I'm always eager to learn new skills, tools, or perspectives to stay ahead in a fast-evolving world.

PROJECTS

1. E-Learning Platform

I am building a responsive e-learning website where users can register, enroll in courses, and track their progress. I used HTML, CSS, JavaScript, and PHP for the front end and MySQL for the database. The project is still on going.

HOBBIES & INTERESTS

- I love creating content, whether it's tech tutorials, blogs, or videos. It's a fun way to share what I know and learn from others.
- I enjoy reading books on technology, innovation, and personal development.
- Listening to podcasts is one of my favorite ways to stay updated on tech trends and gain new perspectives.
- I'm always up for a good coding challenge —it's a great way to test my skills and learn something new.

REFEREES

Available upon request.
